

## Contextual Information

### Our Heritage and Early Beginnings

Carey Baptist College's first campus in Harrisdale was established in 1998 as a mission of the Carey Baptist Church, and like the Church, was named after Professor William Carey. A man of humble origins, William Carey is accredited with having begun social, medical, agricultural and educational reform for the underprivileged within the Caste system of Bengal. In India, he is known as Mahatma, *'the one who is great of soul'*.

William Carey deeply believed his response to God's love in Christ was to care for the minds, bodies, souls and social conditions of those he lived and worked amongst. He helped to establish adult literacy colleges and through these colleges educated the Bengali people to consider their social democratic rights.

By the time of his death in 1834, Professor Carey had influenced the social structure of India and left a legacy of colleges and universities. He re-focussed missionary work throughout the world to help people choose to become liberated from oppression, disease and hunger through education.

Before setting out for India, William Carey preached a sermon titled ***'Expect great things from God. Attempt great things for God,'*** which inspires the College motto of 'Attempt the Extraordinary'.

Carey Forrestdale opened its doors in 2016 with an initial intake of 100 Kindergarten to Year 4 students and 17 staff members. At the commencement of 2018, the College had a student enrolment of 153 students across Kindergarten to Year 5. The campus will continue to grow to be an eventual Kindergarten to Year 12 campus with the first year of secondary school being offered for Year 7, 2019.

The campus benefits from the support of Carey Baptist Church Forrestdale, staff include 1 Senior Pastor, 1 Next Generations Pastor, 1 Chaplain and various volunteers together with the more established services of Carey Baptist Church Harrisdale, which includes other Ministry and Administrative Officers.

With a commitment to excellence in all facets of learning, a values-driven curriculum and a pastoral care program that is a hallmark of our College, Carey has built a positive reputation in the wider community, which is evidenced by the increasing number of families who wish to join us.

The Carey Community – staff, students, parents and church - is a vibrant community that seeks to work together to provide a rich learning environment for our children throughout their school years and through developing deepening relationships, helping people connect with God, with one another, with self and with opportunities to be difference makers in their homes, community and workplaces.

### Characteristics of the Student Body

The Forrestdale campus had 153 students in 2018, with the characteristics of this student body summarised as follows:

- gender 47% male, 53% female
- students come from a variety of cultural and linguistic backgrounds
- students are generally respectful to each other and the College
- students represent the College well in the broader community and are well regarded in the neighbourhood
- students have a healthy understanding of social justice and are actively involved in supporting a number of community development projects in developing countries

### Teacher Standards and Qualifications

Carey continues to attract staff who are highly committed to their vocation and to the College. Staff are selected on the basis of their qualifications, excellence in teaching skills, love of children/young people and strong personal Christian faith.

All 18 teaching staff meet the professional requirements for teaching in WA schools.

### Management of Non-Attendance

The College requests parents to either SMS or advise the College in writing of the absence and related explanation. If this does not occur within a reasonable time frame then the College will follow up the student's absence by contacting the parent/s or guardian/s. Repeated or ongoing absences would ordinarily result in a meeting with the parent/s or guardians.

### Student Outcomes in Standardised National Literacy and Numeracy Testing

The following table shows the results for the NAPLAN 2018 tests in the form of a percentage of students at or above National Minimum Standards. Note: This cohort of Year 5 students is a very small group.

### Parent, Student and Teacher Satisfaction

In 2016 the College initiated a parent survey and additional Focus Groups. The results of these indicate a generally high level of satisfaction with the College, with *school reputation* and *values* rating the highest reason families choose Carey.

Based upon feedback direct from staff, and high staff retention rates, the College leadership is of the belief that there is a high level of satisfaction amongst teachers with the College. The College leadership has clear and high expectations for staff, desires to support staff in every way possible, aims to recognise and applaud excellence in all its forms, and works hard to deal quickly and appropriately with issues as and when they arise.
