

Carey
Baptist
College
Harrisdale

Prospectus

Kindergarten to Year 12

Established in 1998 by Carey Baptist Church, Carey Baptist College has grown into a leading Christian education provider in the south-east corridor of Perth.

Our founding campus, Carey Harrisdale, has grown to educate more than 1,450 students from Kindergarten to Year 12 and has consistently achieved exceptional educational outcomes.

The College is well-known for its holistic education of students as well as its passionate local community.

Carey Harrisdale is also home to Carey Baptist Church Harrisdale, Timber Café and Jump Carey Early Development.

Partnering to create an environment where students flourish

A Carey Education

Carey is a place where staff and parents partner together to create an environment where students can flourish – physically, intellectually, socially and spiritually, regardless of their age and stage of learning. We share a common goal of preparing children for a future beyond school; a future we may not yet imagine, but one that opens the door to exciting opportunities and challenges. In partnership with parents, we prepare our young people to step into the future with confidence and resilience, armed with knowledge, skills, values and attitudes that will enable them to find passion and purpose, and be a difference maker.

At the heart of our College is a deeply held belief that every person is created by God, uniquely made and therefore of worth and value. With this foundational belief, we are intentional in our provision of an environment that is nurturing and supportive. We value inclusivity and believe that our community is richer for the diversity of nationalities, religions, interests and abilities of our students and families.

It is our staff who make the difference.

There is much research about the impact that teachers have on student learning and their influence in shaping young lives. Working at Carey is more than just a career for our staff – it's a vocation that reflects their passion to see students flourish. We will continue to employ outstanding staff, recognising that it is the quality of our teachers, administrators and support staff who will make the difference in your child's time at Carey.

Visitors to our College frequently make the comment that there is 'something special' about Carey. We encourage you to make a visit, tour the College and experience for yourself that 'something special'. You too, will be warmly welcomed as you tour our campuses, meet our staff and discover what a Carey education would mean for your child.

Our values of Courage, Respect, Humility, Integrity and Kindness underpin all that we do, shaping our pastoral care, discipline and our focus on lifelong learning. More than twenty years of experience in providing quality education has enabled us to refine our educational delivery and maintain a culture of academic rigour and educational excellence.

A woman with blonde hair, wearing a white long-sleeved blouse with flared cuffs and a gold necklace, stands in a classroom. She is smiling warmly at the camera. Her hands are clasped on a desk in front of her. In the background, there are desks, chairs, and a bulletin board covered with various colorful posters and notices. Other people are visible in the background, some working at desks. The overall atmosphere is bright and professional.

Working at Carey is more than just a career for our staff – it's a vocation.

Our Campus

Carey Baptist College Harrisdale educates over 1,450 students from Kindergarten to Year 12. Our vibrant campus has grown since opening in 1998 with many building projects expanding on the 12 hectare site. All College classrooms and indoor learning spaces are air-conditioned.

Primary and Secondary joint facilities include:

- Teasdale iCentre: Our state-of-the-art Teasdale iCentre and library is the hub of the Campus. Kindergarten through to Year 12 access this facility and engage with its resources and staff. The iCentre provides a social space to meet, collaborate, research, learn, share and relax.
- College Auditorium: Seating up to 1,000 people, our Auditorium hosts assemblies and major events and is also home to Carey Baptist Church Harrisdale.

Primary School facilities include:

- Purpose built Kindergarten and Pre-Primary classrooms with built-in toilets and large fenced outdoor play spaces.
- A large Primary Art Room, Music Room, LOTE rooms and Curriculum Support classrooms.
- A full-sized oval, large playground, cubby fort area and undercover play space.
- The Carey Community Garden.
- FlatChat on-site Speech Therapy.
- Three classes of each year group.

Secondary School facilities include:

- Core-Curriculum and elective dedicated classrooms and studios.
- A large purpose-built Science Centre with a lab technician space and courtyard.
- A two-storey Arts Centre with Woodwork, Metalwork, Music classrooms and practice spaces.
- An expansive Health and Physical Education building that includes a gymnasium, change rooms, fitness centre and indoor courts.
- Dance and Drama Centre.

College Philosophy

Our Mission

To equip young people to be of Godly character and influence. We achieve this by challenging and encouraging students to seek personal excellence as lifelong learners in their spiritual, intellectual, emotional, physical and social development.

Our Vision

To set a standard of educational excellence in Australia as an institution whose ethos and practice is based upon Christian precepts.

Our Values

The core Carey values of Courage, Respect, Humility, Integrity and Kindness make up the pillars of why we do what we do and provide the foundation from which we seek to share the love and grace of God. Our values provide the framework for all that we do at Carey, including teaching and learning.

Our aim is to embrace our community and celebrate the diversity of our students and their families. The Carey Community provides a place for families to belong and be supported and cared for as we journey together.

Students across the College participate in service learning activities and programs.

Difference Makers

Deeply embedded in Carey's DNA is a commitment to see young people develop compassionate hearts, recognising where others are in need and being motivated to alleviate suffering. This focus on social justice will continue to resonate as we challenge our students to become aware of injustice wherever it exists, both locally and globally, and to find ways to take appropriate action.

It is our hope that when students complete their time at Carey, they will leave us enriched and equipped for their future. This includes having a sense of their intrinsic worth which, when fuelled with passion, enables them to meaningfully engage in a rich and fulfilling future, making a difference in the lives of others.

Professor William Carey

The Carey Group is named after the pioneering Baptist missionary, Professor William Carey, who famously urged, 'Expect great things from God. Attempt great things for God.'

Professor William Carey led a life of inspiration and service to others and is accredited with having begun social, medical, agricultural and educational reform for the underprivileged within the Caste system of Bengal, India.

Carey's story began in 1996 with Carey Baptist Church. The church was started by a handful of pioneers who dreamt of a place which would be a home for the community – one where faith in God doesn't provide an excuse to escape from the world, but is a springboard for relevant and active engagement with it.

This birthed a remarkable community where hope, compassion, family and learning are valued and fostered.

When children feel safe and loved, their capacity to learn is optimised.

Welcome to Primary

Our Primary School is a community who genuinely cares for the education and wellbeing of each and every child. We believe that each child is made in the image of God, and therefore has intrinsic worth and value. Children are created and designed with a plan and a purpose, and part of our role as educators is to discover and nurture the strengths and unique abilities each child possesses.

This belief underpins our values – it is why we have respect for each other, why we aim to be kind, humble and courageous, and why we need to have integrity.

At Carey, our culture is all about belonging and doing life together. With God at the centre of all we do, we see students flourish and thrive.

We actively partner with parents in the education of their child. Together, we have created a strong and supportive community, committed to raising children who positively contribute to the world with compassion and a heart for others.

I warmly invite you to join us on an upcoming tour or to enquire with our Enrolments team and experience our vibrant community.

Ms Kellie Cockram
Principal – Primary School

Curriculum

Our educators are committed to seeing children succeed in all areas of the Australian Curriculum. Our teachers use a variety of different teaching methodologies to inspire learning and connection towards the core curriculum concepts.

Our open door policy encourages parents and students to speak with the classroom teacher about any issue.

Core-curriculum taught by experienced Carey educators covers the key learning areas of English, Mathematics, Science, Humanities and Social Sciences, Health and Physical Education (HPE), Languages Other Than English (LOTE), Technologies and The Arts.

Christian Education

We believe in inviting children, through their learning, to engage with God's Big Story, which is revealed through the Bible.

Christian Education is informal; Christian values and faith permeate our teaching methodology and informs conversation in classrooms. Our educators include daily prayers or Christian songs with the children and our assemblies reflect and honour God.

family

Committed to building positive and meaningful relationships to optimising your child's learning potential

Pastoral Care

Relationships are foundational to how we approach Pastoral Care at Carey. Our educators and staff are committed to building positive and meaningful relationships to optimise your child's learning potential. In Primary, we invest in each child's character and growing attitude towards resilience, perseverance, problem solving, mindfulness and peacemaking.

In addition to our core College values, our Primary School also embraces the values of honesty, compassion, responsibility, self-discipline and service. Beginning in Kindergarten, our philosophy is underpinned by this values-based culture. Your child will be encouraged and nurtured towards these character traits. Our behaviour code also stems from our pastoral care and appropriate behaviour is expected, taught and affirmed.

Our Primary School Chaplain provides relevant learning opportunities that align with the Bible and our Carey values. Our Chaplain also facilitates programs to support student's social and emotional wellbeing.

Student Code of Conduct

To learn more about the Student Code of Conduct for Primary aged students, visit the [Harrisdale Primary](#) section of our website or request a copy from Enrolments on (08) 9394 9190.

Early Years

We believe inspiring a love for learning in the Early Years is the best start to your child's education.

Our play-based learning curriculum is the best foundation for your child's learning journey. We understand that children are unique and develop at different rates, so our pedagogy aims to proactively lead the child towards learning and growth in all areas of their development within a nurturing environment. Our program offers a gentle yet purposeful transition into school curriculum and routine.

“When children learn through play and are actively engaged in learning, new understandings, capabilities and dispositions are more likely to be sustained and extended over time.”

– Early Years Curriculum Guidelines

Our educators are intuitive and attentive to the developmental milestones for a child. Early identification of a child's individual learning style and needs takes place within the classroom and our staff work with each child to optimise their learning.

At Carey, Kindergarten classes operate as a five day fortnight. Parents select their preference of a regular Monday/Thursday or Tuesday/Friday and both options include alternating Wednesdays. From Pre-Primary, students attend school full-time from Monday to Friday.

Let it Grow

We wholeheartedly believe in partnering with parents in the development of their child, so we created a parenting program that starts before your child begins school at Carey.

Our Let's Go! Program offers relevant and helpful topics by experienced professionals that support the parent and child toward a great start in education.

Extraordinary Opportunities

We've been intentional in building a school community that not only focuses on academic achievement, but social connections, sport and music programs, and strong support networks.

Features of Primary School at Carey Harrisdale include:

Support

- Active partnerships with parents.
- On-site Chaplain offering renowned courses for a child's social, emotional and spiritual development.
- Buddy System: Years 3 to 6 are partnered with younger students to be encouraging role models.
- Values-based school culture.
- Strong pastoral care emphasis with high behaviour standards.

Sport

- Swimming Lessons for students from Year 1 to 5.
- Participation in inter-house sport carnivals such as swimming, athletics, cross country and opportunities to represent the College at an inter-school level.
- Carey United Soccer Club.
- Access to other clubs and sporting programs e.g. Running Club, ballet, equestrian, basketball and gymnastics.

The Arts

- Primary School Music Soirées.
- Instrumental Music Tuition from Pre-Primary onwards.
- A Junior and Senior Choir with opportunities to perform.
- Highly respected Arts and Music programs.
- Year 6 Band.
- Assisted entry for Year 5 students to our Concert Band.

Camps and Events

- Regular excursions and incursions.
- Year 4 and Year 6 Camps.
- Annual Primary School Christmas Concert.
- Focus on different calendar events such as Mental Health Week, Harmony Day, Anzac Day and Book Week.
- Fortnightly Primary School assemblies.

Learning

- Curriculum Support and Enrichment Programs from Kindergarten onwards.
- Regular assessment and reporting to parents on student's progress.
- Weekly classes with specialist teachers in Art, Music, Languages and Physical Education.
- Sustainability and care for our world taught through our Carey Community Garden and We Love Our Earth Club.
- Numero Club.
- Focus on STEM, Technology and Robotics and Coding.
- State-of-the-art Teasdale iCentre and library.
- Access to devices such as Chromebooks, Macbooks and iPads. All classrooms are equipped with an interactive whiteboard or Apple.

Welcome to Secondary

Carey Baptist College is developing a strong reputation for outstanding academic achievement, positive pastoral care, and a rich diversity of co-curricular activities, including service learning.

Our reputation reflects a commitment to provide the best all-round education for our students by challenging them in their intellectual, emotional, physical, social, and spiritual development.

Secondary learning takes place within a faith-based values system that encourages students to become independent, creative and flexible learners. This, together with a strong sense of responsibility to their community, reflects the best traditions of an independent Baptist education.

Carey's Secondary education features:

- A tradition of graduating exceptional young men and women of character and capacity.
- Outstanding graduation pathways with a wide selection of both ATAR course and Vocational qualifications.
- Highly respected Arts and Music co-curricular programs.
- A safe, rigorous and engaging learning community of over 800 secondary students.

I warmly encourage parents of potential students to visit the College and meet with myself and our leadership team. I invite you to experience a tour of our facilities whilst students are at work, and have a conversation about how a Carey education could add value to your son or daughter's future.

Mr Brenden Gifford
Principal – Secondary School

In encouraging our students to develop their potential, we place a major emphasis on supportive teaching and learning environments, both within and beyond the classroom.

Developing Future Leaders

At Carey, we place a high value on pastoral and pedagogical models that develop the following characteristics amongst Carey students:

Responsible Learners

- Embrace ownership and responsibility for learning;
- Take risks;
- Reflect upon the learning process; and
- Assess achievement and practice to make progress.

Lifelong Learners

- Learn to read in order to read to learn; and
- Use all forms of language to learn – literacy, numeracy and The Arts.

Collaborative Learners

- Work with teachers and other students to produce work;
- Make meaningful contributions to the group;
- Explore all forms of information about a topic;
- Appreciate contributions of others; and
- Investigate methods of problem-solving and decision-making.

Effective Communicators

- Capable of clearly expressing thoughts, ideas and feelings through words, numbers, images, sounds and gestures for different purposes and audiences;
- Are engaged in creating and communicating meaning;
- Perform effectively in all forms of assessment and review.

Critical and Creative Thinkers

- Construct meaning;
- Interpret, classify, analyse and evaluate meaning that is being constructed;
- Define the problem, identify strategies, seek solutions and answers and make informed choices;
- Ask questions, accept different perspectives, tolerate ambiguity without compromising truth; and
- Are discriminating consumers of information through the arts, literature, film, television and internet.

Quality Producers and Consumers

- Set appropriate and timely standards;
- Produce original work; and
- Use a wide range of resources to produce quality work.

Credible and Just Citizens

- Respect others regardless of race, gender, age or creed;
- Develop character and contribute fairness to the College and wider community; and
- Seek truth in spiritual life with an honest and objective study of the essence of Christian teaching and lifestyle.

Carey
Baptist
College

Curriculum

The Year 7 to 10 WA Curriculum provides a coherent and comprehensive set of prescribed content and achievement standards which Carey uses to plan student learning programs, assess student progress and report to parents. In Years 11 and 12, we offer a wide range of courses in both ATAR and Vocational Pathways, in addition to a number of VET Certificate courses. Most VET courses are delivered on campus by Carey educators; while some are offered off-campus with students attending TAFE or RTO providers for a day out of their weekly program. In addition, we also offer some endorsed programs in Years 10 to 12 which contribute to the Western Australian Certificate of Education (WACE).

As the majority of our students at enter University at the end of Year 12, the College has a curriculum that extends students throughout Year 7 to 10, and offers students the ability to connect with a number of extension activities. This is intended to assist in the development of critical thinking and problem solving skills so that students can become innovators, entrepreneurs, lifelong learners and global citizens.

This is further enhanced by the streaming process whereby students are placed into one of four streams according to their performance. The objective is to allow the students to learn at a pace which matches their abilities. In Year 7 and 8, Maths and Science classes are streamed into Extension and Mainstream courses. In Year 9 and 10, Maths, English, Humanities and Science classes are streamed to prepare them for Year 11 and 12.

- **Extension** is the academic extension class and is aimed at students who have demonstrated a high capacity and potential in this subject, and includes some extension challenges or competitions for students to take part in.
- **Mainstream** follows the same curriculum as Extension, but is accessed at a less demanding level.
- **Foundation** is typically for students who find the subject difficult. These classes operate at a slower pace.
- **Support** is an inclusive program for students with diagnosed learning difficulties who benefit from extra support and assistance.

Years 7-12 Course Information Booklets

For up-to-date course offerings, please download the course information booklets available on our website or request a copy from Enrolments on (08) 9394 9190.

Elective Opportunities

Years 7 to 10

Year 7 to 10 students are given the opportunity to broaden their knowledge and skills by participating in up to four different electives each year. These include:

Technology Programs

- Aviation
- Childcare
- Computing - Applications
- Computing - Coding (STEM)
- Product Design
- Digital Multimedia
- Engineering
- Food and Nutrition
- Metalwork
- Woodwork

Arts Programs

- Art and Design
- Dance
- Drama
- Graphic Art
- Media - Photography / Film and TV
- Music General
- Music Specialist

Other Electives

- Outdoor Education
- Psychology
- Specialist Basketball
- Specialist Soccer
- STEM

Languages

- Indonesian
- Japanese
- Mandarin

At Carey, students will also participate in a Study Skills session as part of their weekly timetable. This is intended to enable students to grasp new skills, such as self-directed learning and research, note-taking, revision and developing a growth mindset. Students are also allocated a Homework session so they can get a head start on their homework, with the support of teachers.

Years 11 and 12

Years 11 and 12 lay the foundation for a number of pathways and options students may choose after completing their secondary education, whether at TAFE, university or in the workplace. Courses and qualifications offered at Carey in Years 11 and 12 include:

University Pathway Courses

- Aviation
- Biology
- Chemistry
- Economics
- English
- English as an Additional Language
- Geography
- Health Studies
- Human Biology
- Indonesian
- Japanese
- Literature
- Maths Applications
- Maths Methods
- Maths Specialist
- Modern History
- Music
- Outdoor Education Studies
- Philosophy and Ethics
- Physical Education
- Physics
- Politics and Law
- Psychology

UniReady (endorsed): Carey offers the UniReady course in partnership with Curtin University, which enables students to gain entry into a range of Health Sciences, Science, Engineering, Humanities or Business courses at Curtin by giving students that pass all four units an ATAR equivalent of 70.

Vocational Pathway Courses - General

- Career and Enterprise
- English
- Food Science and Technology
- Human Biology
- Integrated Science
- Maths Essentials
- Outdoor Education
- Physical Education Studies
- Visual Art

Certificate II Qualifications

- Business
- Community Services
- Construction
- Dance
- Engineering
- Information, Digital Media and Technology
- Tourism

Carey also offers a Certificate II in Active Volunteering (Christian Ministry) which is taught off-line, and an after school Drama Course (London Academy of Music and Dramatic Art – LAMDA Bronze and Silver Level 6 and 7), which is an endorsed course. All Vocational students also participate in Workplace Learning (endorsed course) in Year 11.

Pastoral Care

Our Pastoral Care Team and educators work together for the wellbeing of students throughout their journey in Secondary School. Positive, healthy relationships assist our students to effectively navigate the challenges of adolescence and help them to thrive in the school environment.

Our behaviour code is founded on our core-College values and healthy behaviour is expected, taught and affirmed. Our dedicated Psychologist, Secondary Chaplain and Year Managers partner with Carey educators and Leadership to ensure a safe and caring environment.

At Carey, Pastoral Care is based on our core belief that we are all made in the image of God. Our approach to Pastoral Care reflects our commitment for every student to grow, develop and achieve their potential. Our systems are framed with this commitment, reflected by high expectations in learning and behaviour. We expect our students to strive for excellence in their achievements and also encourage and enable others to do the same.

The Pastoral Care of students and the effective communication with parents underpins the academic, social and

developmental welfare of the students at Carey. We believe that if the students are happy and secure in their school environment, they will successfully engage in all other educational, co-curricular and extracurricular programs.

The Chaplain plays a key role in our Secondary Pastoral Care team, working with Year Managers, coming alongside students when there are social, emotional or spiritual challenges.

Our Year Managers are responsible for the efficient operation and team leadership of each year group, including the disciplinary and pastoral information of each student in their care. By knowing their students, the Year Managers assist students to discern their special talents, rejoice in them, develop them and put them at the service of others in our community.

Student Code of Conduct

To learn more about the Student Code of Conduct for Secondary students, visit the Harrisdale Secondary section of our website or request a copy from Enrolments on (08) 9394 9190.

Helping students wellbeing
throughout their journey in
Secondary School with positive,
healthy relationships.

Extraordinary Opportunities

We've been intentional in building a college community that not only focuses on academic achievement, but social connections, sporting and creative programs, and strong community networks.

Features of Secondary School at Carey HARRISDALE:

The Arts

- Highly respected Arts and Music programs.
- Annual Youth on Health Festival (Dance and Drama).
- Annual Dance Concert.
- Associated with the London Academy of Music and Dramatic Arts and provision of a Drama extra-curricular and WACE endorsed program.
- Annual Music Camp and state and national competitions.
- Renowned Instrumental Music Tuition.
- Year 11 and 12 Music Recitals.
- A variety of music ensembles and bands.
- Active connections with WAAPA, the James Morrison Academy and UWA Conservatorium of Music.
- Bi-Annual College Musical Productions.

Aviation

- Carey's Aviation Program, as it develops, will create the opportunity for students to study and experience aeronautics, navigation, UAVs, programming, mechanics and from Year 8, flight instruction.
- The study of aviation at Carey is not only for students wanting to become pilots, but for anyone interested in the aviation industry, including air traffic controllers, drone operators, engineers, mechanics, administrators and business operators.
- Our partnership with the Royal Aero Club and the Western Australian Aviation College stand to give our students a technical and commercial advantage.
- Committed students will be able to continue with this program until Year 10 and then progress to the ATAR Aviation Program in Year 11 and 12 or achieve a Recreational Pilot's License, both of which provide academic pathways into Higher Education courses.

Camps

- Year 7 Nanga Residential Camp
- Year 8 Day Camp
- Year 9 Day Camp
- Year 10 Careers Camp
- Year 11 Residential Camp
- Year 12 Rottneest B&V Retreat
- Year 11 & 12 Outdoor Education Camps
- Music Camps
- Generations in Jazz Mt Gambier trip

GATE Programs and Scholarships

- Each year, we welcome students in Year 6 to apply for GATE Programs and Scholarships for entry into Year 7 the following year. Program information is released early each year, with scholarships offered by the end of Term 1.
- Three programs and scholarships are currently available: STEM Program and Scholarships (Science, Technology, Engineering and Mathematics), Music Specialist Program and Scholarships, and Academic Excellence Scholarships.

More information on the GATE Programs and Scholarships is available in this publication.

House System

- The Secondary School House System has six houses. These are named after the Nyoongar seasons – Birak, Bunuru, Djeran, Makuru, Djilba and Kambarang.
- Students start each school day in their House Room and compete in a weekly House Competition before lunch on House Days. House competitions can range from academic challenges to cultural and sporting activities.
- A variety of student leadership opportunities are available in the House System.
- The integration of our Pastoral Care and House system empowers students to find their place of belonging and fosters a competitive spirit underpinned by a communal ethos within the College.

Learning

- Japanese Exchange Program.
- Debating and Mock Trials.
- Participation in State and National Maths and Science Competitions.
- Outstanding graduation pathways with a wide selection of both ATAR and Vocational qualifications.
- Focus on Science, Technology, Engineering and Mathematics (STEM). Our technologies program enables students to continually develop 21st century competencies and skills.

Sport

- Specialist Basketball and Soccer Programs taught by two of Perth's finest coaches, Shaun Redhage (Australian Boomers and Perth Wildcats) and Mark Lee (Perth Glory, Blyth Spartans, Gateshead, Easington and Consett).
- Participation in inter-house sport carnivals such as swimming, athletics, cross country and opportunities to represent the College at an inter-school level.
- Students participate in SAS, Inter-School Sport Competitions that run throughout Terms 1 and 2. There are several seasonal team options in the SAS Competitions, including Cricket, Basketball, Netball, AFL, Soccer, Volleyball, Touch Rugby and many more.
- A variety of Co-Curricular sport opportunities, including Equestrian, Soccer and Cheerleading.
- Running Club through Carey Right Track Foundation.
- A reputable Outdoor Education Program, which includes offsite camping and training. Students have the opportunity to obtain their Bronze Medallion.

Support

- Proactive engagement with parents.
- On-site Chaplain.
- Respected programs promoting social, emotional and spiritual development.
- Leadership and mentoring opportunities.
- Values-based school culture.
- Strong pastoral care emphasis with high behaviour standards.
- Guest speakers and developmental workshops.

All Year 10 students are involved in a service learning program designed to connect Carey students with each other, their community and their world.

X-Over Program (Crossover Program)

- All Year 10 students are involved in a service learning program - X-Over Program (Crossover Program).
- The Programs are designed to connect Carey students with each other, their community and their world.
- The Programs encourage student leadership and have involved students engaging in local projects with first aid and wildlife rescue programs, environmental programs on the Bibbulmun and Cape to Cape tracks, Ningaloo Reef and international programs in countries including Indonesia, Cambodia, Laos, Myanmar and Nepal.

Year 10 students teaching English in Cambodia with Transform Cambodia.

Scholarships

GATE Programs and Scholarships

STEM Program and Scholarships

Carey's GATE pathway provides gifted and talented students with a stimulating and challenging STEM (Science, Technology, Engineering and Mathematics) learning environment which empowers them with the skills to succeed and adapt to a changing world where demand for STEM experience is high and will continue to increase into the future.

The Program incorporates 21st Century learning strategies focusing on project/problem solving inquiry based learning. Students are encouraged to excel in their areas of academic talent and develop a love of learning. STEM skills are crucial to innovation and development in our contemporary knowledge-based, competitive global economy.

Carey works with organisations such as Curtin University and Murdoch University and industry to deliver this Program.

Visit our website for application information and timelines.

Music Specialist Program and Scholarships

We are proud to have one of the best Music Programs and Facilities in Western Australia, staffed by tutors and educators that are respected nationally for shaping outstanding musicians.

Students enter the Program in Year 7 and continue in the Program until the end of Year 10. In Year 11 and 12, students can continue with Music as an ATAR subject.

The Music Specialist students are streamed into a Specialist group as part of their Performing Arts elective; and are required to attend an after-school ensemble/band one day per week. Students in this program will participate in the full Year 7 program and can also be a part of the STEM program.

The College has active connections with WAAPA (Western Australia Academy of Performing Arts), UWA Conservatorium of Music and the James Morrison Academy, with many of our Music students accepted into these tertiary institutions for the graduation.

Visit our website for application information and timelines.

Academic Excellence Scholarships

Achieving a Carey Academic Excellence scholarship gives students the confidence to pursue other goals. It is important for students to recognise their own potential early in their academic career so that they foster its growth. Participating in classes with other gifted and talented students motivates and extends them.

Recipients of these scholarships will have consistently demonstrated an excellent academic standard and potential in a number of areas.

Recipients will participate in a Year 7 program that offers variety, engagement and challenge. Carey has developed a curriculum that is full of hands-on, learning-rich activities which are designed to not only engage the students, but also teach them problem solving skills, creativity and ways of learning that will benefit their later years of study.

Carey aims to encourage its students to develop a growth mindset which leads to a desire to learn and embrace challenges; persist in the face of setbacks; see effort as the path to mastery; learn from feedback and celebrate the success of others.

Visit our website for application information and timelines.

The William Carey Scholarship

The William Carey Scholarship was created to offer educational opportunities for students who are either first-generation descendants of a refugee or are refugees themselves. It is a means-tested scholarship for eligible families on a limited income.

The scholarship is named after the pioneering Baptist missionary William Carey, who famously urged, 'Expect great things from God. Attempt great things for God'. Carey is remembered as a father of modern missions, a gifted linguist and educator and was responsible for translating the Bible into 44 different languages and dialects.

Visit our website for application information.

The Carey Right Track Foundation Scholarship

The purpose of the Carey Right Track Foundation Scholarship is to empower future indigenous leaders through educational opportunities at Carey Baptist College. The scholarships are awarded to indigenous students displaying leadership potential and a commitment to being positive role models within and beyond the Carey community.

The vision of the Carey Right Track Foundation is to increase educational, leadership and community service aspirations and ability in young indigenous and remote people through developing their natural talents, leadership capacity and academic potential in the context of a Christian witness and community.

The Carey Right Track Scholarship is a means-tested scholarship for eligible families on a limited income.

Visit our website for application information.

College Services

Bus Services

The College contracts a modern bus fleet as a safe and comfortable form of transport for our students. Our buses are fully air-conditioned and fitted with seatbelts. This service is available to all students from Year 1 upwards at an additional charge to families. For more information or to view our routes in real time, visit our website.

Suburbs serviced: Armadale, Atwell, Aubin Grove, Banjup, Byford, Canning Vale, Cardup, Cockburn, Darling Downs, Forrestdale, Gosnells, Hammond Park, Harrisdale, Hilbert, Huntingdale, Jandakot, Mount Nasura, Mount Richon, Oakford, Piara Waters, Southern River, Success, Thornlie, Treeby, Wandi, Wungong.

Uniform Shop

The Carey Uniform Shop is open regularly during school terms and located via Entrance 1 at Carey Harrisdale. Further information, including price lists and opening hours, is available on our website.

Community Services

The following services are also located at Carey Harrisdale:

Carey Baptist Church

Carey Baptist Church is a vibrant community of people who love God and have a desire to love and serve their local community. Carey Baptist Church hold two services each Sunday in the Auditorium and all are welcome to attend. To learn more, visit careychurch.asn.au

Jump Carey Early Development and OSHC

Jump offers exceptional childcare for babies, toddlers and pre-school aged children. Jump's impressive facilities and philosophy have resulted in a highly sought after childcare service.

Jump also coordinates its **Out of School Hours Care (OSHC)** to operate a **Before and After School Care** service and **Vacation Care** for Carey students up to Year 6. These services are run by experienced child care professionals and are full of fun activities and learning opportunities.

Jump is not coordinated by the College and therefore separate enrolment is required. Please enquire directly with Jump on (08) 9394 9175 or visit jump.asn.au

T I M B E R

Timber Café

This public café is renowned for its warm aesthetics, great service and delicious menu. Serving specialty coffee, the team at Timber are always welcoming new faces. Located in the Carey Centre via Entrance 1 on Wright Road. To learn more, visit timbercafe.com.au

The Carey Right Track Foundation

Aligned with Carey's mission, The Carey Right Track Foundation is an aspirational program to create relationships between metro, rural, remote indigenous and non-indigenous young people through their common gifting of athletics. Secondary School students can be involved in regular before and after school activities such as Athletics or Cross Country training or a Running Club.

Additionally, integrated into the College's Service Learning program, students can choose to be a mentor in Right Track's Future Leaders Athletics Mentoring Experience (FLAME) School Holiday Program. FLAME is an inter-agency community initiated and directed day camp for remote and indigenous future leaders in Meekatharra.

Helping Orphans Meet Expenses (HOME) Foundation

Carey partners with HOME, a not-for-profit organisation that works with different orphanages and schools in Indonesia to provide financial support to educate and assist children. HOME works to raise funds for the wellbeing and education of Indonesian children living in poverty. Run by volunteers, HOME assists orphanages and communities housing more than 250 children.

Over the years, Carey has helped to provide a new medical room for the Sidhi Astu orphanage, library for the children, new bedrooms and has also donated sewing machines so that people can learn a trade. Carey has also helped to fund a school built in the Suwung Rubbish Tip in 2017. Over the years, groups of students and over 80 Carey families have visited the school and orphanage to see the work they have contributed to.

Enrol at Carey

Early application for future years is encouraged.

Carey has an open enrolment policy, creating a beautifully diverse community with a range of nationalities and religions, based on our Christian foundations and values-based philosophy.

Enrolments Officers - Harrisdale Campus

The Enrolment Process

1

Apply

Applications for future years are open and welcomed. Complete our secure online registration form via our website. A \$50 non-refundable application fee is payable per family.

2

Interview

Families will be invited by email to attend an interview and tour with the Principal based on their original date of application. Siblings of existing Carey Harrisdale students will have first priority. Additional paperwork such as birth certificate, MyGov immunisation history, school reports and supporting documentation will be requested.

3

Offer

Following a successful interview with the Principal, an Offer of Placement is made. Placement at Carey Baptist College is confirmed once all completed enrolment forms and a non-refundable confirmation fee have been returned to the College within the prescribed time frame.

4

Confirmation

Upon receipt of the completed enrolment forms and confirmation fee, the College will confirm the placement in writing.
