

The William Carey Scholarship Secondary Years

The William Carey Scholarship was created to offer educational opportunities for students who are either first-generation descendants of a refugee or are refugees themselves. It is a means-tested scholarship for eligible families on a limited income.

This scholarship is named after the pioneering Baptist missionary William Carey, who famously urged, 'Expect great things from God. Attempt great things for God'. Carey is remembered as a father of modern missions, a gifted linguist and educator and was responsible for translating the Bible into 44 different languages and dialects.
