

Parent and Guardian

Code of Conduct

At Carey we value courage, respect and humility; and we are committed to acting with integrity and kindness. We believe that all people are made in God's image, having equal value and the right to be treated with dignity and respect.

As parents (including guardians/ caregivers), you are the most important educator and first role models for your children. The choices you make and the behaviours you exhibit have a significant influence on your children. The work we do as a College for the benefit of your child is most successful when we operate as a true partnership between home and the College.

This Code of Conduct provides you with our expectations around your conduct at College, off-site (e.g. at sporting events) and at all College events, for the effective development of positive relationships within the College community.
