Casual Dress

The purpose of Casual Dress days at Carey is to fundraise for causes advocated by students (and staff). To participate in Casual Dress days students are required to pay as part of the fundraising process and dress in a manner that honours the College values, positively portrays themselves and enables them to participate in classes for a day by meeting subject safety requirements.

When choosing what to wear on a casual dress day you should ensure your clothing choice meets the below criteria:

- There should be no offensive words, expressions or graphics on any clothing
- The material worn must not be see through in any way and undergarments should not be visible
- Shoes must be enclosed – this is an occupational health and safety issue
- Hair must be tied up for classes which require it, including science, Metalwork, Woodwork, Textiles, Foods, Art and PE
- All tops need to be full length and cover the stomach – this is an occupational health and safety issue
- Shorts or skirts should be mid-thigh length (at least)
- Students wearing tights, jeggings or like clothing must ensure their top is long and loose.
- If you have PE or Outdoor Education you must have clothes which are suitable for physical activity (sport shoes and clothes) OR change into PE uniform for class.
- If you are unsure about your clothing choices or costume choices (for themed dress up days), speak with your Homeroom teacher or Year Manager to discuss your clothing plans prior to the Casual Dress Day.
- A gold coin donation is required to participate in casual dress days. The money raised will be donated to the charitable cause chosen. Students not paying are required to attend in full summer or winter uniform. Failure to follow dress expectations may result in behavioural consequences issued in line with the Colleges discipline process. In addition, you may be asked to change into a secondhand PE uniform or your parents may be asked to bring a change of clothes for you to wear.
