Attempt the Extraordinary

Friday 23 April 2021

Dear Primary Community

The purpose of this letter is to acknowledge the Premier's directive to quarantine at home for three-days over the long weekend period commencing midnight tonight, Friday 23 April 2021, until midnight on Monday 26 April.

Scheduled Events Impacted:

- Our Choir's participation in ANZAC Day services, due to their cancellation.
- GATE testing this weekend for Year 6 students will be postponed, at this stage re-scheduled for Saturday, 1 May (TBC)

At this stage we are anticipating the normal resumption of school on Tuesday 27 April. Further correspondence to confirm College arrangements for next week will be sent home Monday afternoon via email, as more information becomes available.

Have a safe and restful long weekend.

Yours sincerely

Anthony Ingram
