Coronavirus (COVID-19)
Week 3b, 2021
Harrisdale Secondary

Dear Secondary Community

We are back to wearing masks both indoors and outdoors.

Winter Uniform

All students will resume in Week 3 in formal **Winter uniform**. We will limit the need to use the change rooms.

Mask Wearing

Staff and students in Years 7 to 12 in the Perth and Peel regions are required to wear a mask. Teachers are not required to wear a mask while teaching or coaching.

Parents, caregivers, and other spectators at College events

Parents, caregivers, and other spectators at College events must continue to wear a mask and adhere to COVID-safe guidelines.

Sport, Dance and Cheer

Masks are still required to be worn within indoor venues with exemptions for students doing vigorous outdoor exercise or sport or for approved medical reasons.

The requirements could change at short notice. At all times throughout this journey, the College will prioritise your health and the health of our staff and our students.

Thank you all for your patient ongoing support.

Yours sincerely

Brenden Gifford
