Attempt the Extraordinary

Monday 28 June 2021

Dear Parents and Guardians

This is a very quick email to let you know that the Primary School is open for business Tuesday and Wednesday. The school is a safe place for your children and you can be assured that we will be taking the utmost care of them.

Please use the Kiss 'N' Ride if at all possible or drop your children off at one of the school gates. Kindy and Pre-Primary parents, please drop off at the classroom door.

Masks are to be worn by all adults on site at the College and please exercise good hand hygiene and physical distancing.

We will send more information tomorrow about the Cross Country and other special events happening this week once we've had time to make some decisions.

The situation may change at short notice. At all times throughout this journey, the College will continue to prioritise the health of our staff, parents and students.

Thank you all for your patient ongoing support.

Kind regards

Ms Kellie Cockram

Principal - Primary | Carey Baptist College
