Carey
Baptist
College

The WASSA

All students receive a WA Statement of Student Achievement (WASSA) when they complete Year 12.

The WASSA:

- Formally records a student's achievement in every course, qualification and program that the student has completed in senior secondary schooling.
- Provides evidence of achievement for all students at the completion of Year 12.

Carey
Baptist
College
Harrisdale

The WACE

- Western Australian Certificate of Education (WACE) is awarded to students who have successfully completed senior secondary schooling and have met the WACE requirements.
- The majority of students in WA achieve the WACE (over 90%).
- Achieving the WACE is often called 'graduation'.
- WACE uses the **letter grades** in Year 11 **AND** 12.

Carey
Baptist
College
Harrisdale

WACE Requirements

Students must:

- Complete one of three course combination options:
 1. Complete at least four Year 12 **ATAR** courses* OR
 2. Complete at least five Year 12 **General** courses and / or ATAR courses or equivalent OR
 3. Complete a **Cert II** (or higher) VET qualification with ATAR, General or Foundation courses.
- Demonstrate the literacy and numeracy standards.
- Meet the breadth and depth of study requirements.
- Meet the achievement standard.

Carey
Baptist
College
Harrisdale

WACE Requirements

Literacy & Numeracy Standard Requirement

Students must demonstrate minimum standards of literacy and numeracy by either:

- Pre-qualifying in reading, writing and numeracy in their Year 9 NAPLAN and being exempted from that component in the OLNA; OR
- Demonstrating the standard through the Online Literacy and Numeracy Assessment (OLNA). There are six chances of achieving this in Year 10, 11, 12.

Carey
Baptist
College
Harrisdale

WACE Requirements

Breadth & Depth Requirement

Students must complete a minimum of 20 units (10 subjects). Year 11 subjects are made up of Unit A1 and A2, or G1 and G2. The 20 units must include:

- Four units from an English learning area course, post-Year 10, including at least one pair of Year 12 units from an English learning area course.
- One pair of Year 12 units from List A (Humanities)
- One pair of Year 12 units from List B (Maths/Sc)¹¹

Carey
Baptist
College
Harrisdale

WACE Requirements

Achievement Standard Requirement

- Students must achieve 14 C grades (7 subjects) or higher (or equivalents) in Year 11 and Year 12 units, including at least six C grades (or equivalents) in Year 12 units (3 subjects).
- WACE achievement standards are determined by letter grades (A, B, C, D, E) awarded by the College.

The achievement standard requirement can be met through ATAR, General, and Foundation courses.

Carey
Baptist
College
Harrisdale

Workplace Learning in Year 11

- Carey employs a Workplace Learning Coordinator to provide all General / Vocational pathway students with a work experience. His Office is in J8 (in Building J).
- WPL counts as an **endorsed** subject towards achieving WACE.
- It involves 2 work placements of 55 hours totalling 110 hours (= 2 unit equivalents towards WACE).
- There is a subsidised cost involved of \$350 per placement.

Carey
Baptist
College
Harrisdale

Workplace Learning in Year 11

- WPL takes place daily **during the Exam blocks in Semesters 1 and 2**. It is mandatory for all Year 11 students studying a General / Vocational pathway and students changing to this pathway in Year 12.
- If these students select an ATAR subject, they must sit the exam during this time.
- Semester 1 block placement – June 2024
- Semester 2 block placement – November 2024

Carey
Baptist
College
Harrisdale

Workplace Learning

WPL requires:

1. A WPL Application.
2. An Interview.
3. Attendance at a Workplace Induction.
4. Completion of a Workplace Logbook.

Carey
Baptist
College
Harrisdale

Workplace Learning

WPL students had placements in the following industries in June, 2023 :

- Advertising
- Automotive

- General pathways including off-site study.
- Careers and where to locate information.
- Alternative pathways to University.
- Subject selections and courses.
- Resumes or job application sessions.

General Courses

These courses:

- Are not externally examined.
- Do have an **Externally Set Task** (EST) which is set by SCSA in Year 12. The EST is compulsory and contributes 15% for the pair of units in that subject.
- Are designed for students who are typically aiming to enter further vocationally based training or the workforce directly from school.

Carey
Baptist
College
Harrisdale

Alternative Pathways

There are a number of alternative pathways to access University:

- Certificate IV or Diploma through a VET program + English Competency
- UniReady (in Year 12 at Carey)
- University Enabling / Preparation Courses
- Portfolio Entrance

Carey
Baptist
College
Harrisdale

Vocational (VET) Pathway

- VET is nationally recognised and enables students to gain qualifications for all types of employment, and specific skills to help them in the workplace or in further training.
- VET Qualifications are competency based.
- Certificate courses are highly recommended, especially in Year 11 > TAFE entry.

Carey
Baptist
College
Harrisdale

VET Contribution to the WACE

- As part of the minimum WACE requirements, a student may complete a Certificate II or higher in combination with ATAR, General or Foundation courses.
- Studying VET can provide up to eight units towards the number of course units needed to achieve the WACE.
- Students will typically enrol in four or five additional ATAR, General or Foundation courses to meet the WACE.
- Students who do not enrol in at least four Year 12 ATAR courses or at least five Year 12 General and / or ATAR courses **must** also complete a Certificate II or higher.²⁷

Carey
Baptist
College
Harrisdale

VET Pathways

Vocational Pathways recommended for Year 11

- 5 x General Courses + 1 Cert qualification (+ SWL)
- 4 x General Courses + 2 Cert (+ SWL)
- 3 x General Courses + 2-3 Cert qualifications or 1 ATAR – 3 Certificates are **not** generally recommended as only 2 Certificates can count towards the WACE (as Unit equivalents).
- VET qualifications can be done on-site or off-site.

Carey
Baptist
College
Harrisdale

VET On-site Programs

Carey
Baptist
College
Harrisdale

School-Based Traineeships

- School-based apprenticeships are an opportunity for students to work with a host employer and train in a qualification **while they are still at school**.
- Arranged between the student and the employer.
- Must be approved by the VET Coordinator and Assistant Principal Curriculum (i.e. impact on course).

Choosing your Courses

Do your research:

- What are your future goals?
- Are there any prerequisites?
- Which pathway should you choose?
- Who do you need to talk to?
- How much work is involved?
- What courses should you take?

Choosing your Courses

Do your research:

Where can I find out the information I need?

- SEQTA
- Course Selection Handbook
- Teachers
- University Handbooks
- Careers Advisor (Mrs Rushby)
- VET Coordinator (Mrs Shaw)
- Check out Web Resources

Carey
Baptist
College
Harrisdale

Prerequisites

- Prerequisites are often required for many courses of study, at University, TAFE and School.
- University Handbooks are a good source of up-to-date University prerequisites.
- **Prerequisites** are subjects or levels that must be achieved (however there may be bridging courses in some cases – check with the University).
- **Desirable** (or recommended) indicates subjects or levels that would be an advantage.

Carey
Baptist
College
Harrisdale

University Prerequisites

Many University Courses specify that certain subjects must be undertaken by students in Year 12 to be able to apply to enter a particular course:

- **Example:** Curtin Bachelor of Engineering.
- **Prerequisite:** Maths Methods ATAR, and at least one of Chemistry ATAR or Physics ATAR.
- **Desirable:** Maths Specialist ATAR.

Carey
Baptist
College
Harrisdale

Carey Prerequisites

- These are used to assist the student to choose **appropriate courses in which they should be able to succeed.**
- They refer to the stream and grade required for a student to be **eligible** to select a subject.
- If students are ineligible (by not achieving the minimum prerequisite) they will not be able to choose this subject. They must choose subjects where they have achieved the prerequisite and can work hard to achieve them in Semester 2.⁴¹

UniReady in Year 12

- UniReady is an alternative direct entry Uni pathway for students moving from ATAR to General. This is not an 'easy' option. Four units are studied:
 - 1. Fundamentals of Academic Writing**
 - 2. Foundations of Communication**
 - 3. Introduction to Commerce**
 - 4. Introduction to Health Science**
- Students must pass ALL four units, three having exams. This gives an equivalent ATAR score of 70.

Carey
Baptist
College
Harrisdale

UniReady in Year 12

- Applications open towards the end of Semester 2.
- Students need to complete a written application and have an interview to be considered.
- See Curtin.edu.au/uniready for the list of courses that accept this entry pathway.
- It may also be used for entry into other Universities, such as Murdoch and ECU.
- Students undertaking UniReady will be given a private study line due to the heavy requirements of this course.

Carey
Baptist
College
Harrisdale

Preparing for Year 11 and 12

- Review your routines. It is important to revise work weekly. If Study / Revision help is needed, collect a **Senior School Study Skills Handbook** at the back of the auditorium, and go through it in the July Break.
- Your results in exams are the best indicator of ATAR success in Year 11.
- Finish the year well (Semester 2 Exams are important preparation for Year 11).
- Prerequisites CAN be achieved in Sem 2 reports.

ATAR and University

Mr R. Stirling
Assistant Principal

University Entrance using the ATAR

University Entrance Requires:

- **WACE** – completion of WACE requirements.
- **English** – Must complete equivalent of two courses of English in Year 11 & 12, and achieve **minimum scaled score of 50% in Year 12**.
- **Prerequisites Met** – e.g. Speech Pathology (Curtin)
- Prerequisite: at least one Science ATAR course.
See University Admissions Booklet.
- **ATAR** – Example Speech Pathology (Curtin)
Minimum ATAR Rank – 80. See TISC Guide.

ATAR Courses

These courses:

- Are examined by the School Curriculum and Standards Authority (SCSA).
- Are used TISC to calculate a student's Australian Tertiary Admission Rank (ATAR). 46% of University entrants come from Year 12s via their ATAR score.

There are written examinations for all ATAR courses. and practical examinations for some ATAR courses (e.g. PE Studies, Music, Japanese). Students must complete **both examinations** in these courses.

Carey
Baptist
College
Harrisdale

ATAR Exams must be attempted

Students enrolled in a Year 12 ATAR course pair of units are **required to sit the written and, if the course has one, practical examination.**

Students who do not sit the examination will not:

- Have a course mark or grade recorded on their WASSA.
- Receive an ATAR course report.
- Have the pair of units completed in that year contribute towards any of the WACE requirements.

Carey
Baptist
College
Harrisdale

ATAR Pathways

ATAR Pathways recommended for Year 11

- 6 x ATAR Courses – not recommended, unless aiming for ATAR of 90 or above (i.e. Law / Medicine).
- 5 x ATAR Courses / a Cert qualification (one year).
- 5 x ATAR Courses and a GENERAL course.
- 5 x ATAR recommended for most students – your best 4 are used to determine the ATAR score.
- 4 x ATAR Courses and a GENERAL and Certificate qualification.

Carey
Baptist
College
Harrisdale

Things to take careful note of:

Workplace Learning

This takes place in the Exam blocks while ATAR exams take place. This is **compulsory in Year 11**, and also is highly recommended in Year 12, unless students are doing UniReady.

Year 11 Marks / Grades

Year 11 contributes to the WACE, but not to the Year 12 ATAR score. Some SCSA Awards (Certificate of Distinction / Merit) are calculated over Year 11 and 12.

ATAR Score

- The ATAR uses the % scores in **Year 12 subjects**; 50% from the school; 50% from the ATAR exam.
- The ATAR **is a rank not a %**.
- An ATAR of 70 = a level of achievement better than 70% of Year 12 school leavers.
- The ATAR is calculated from the Tertiary Entrance Aggregate (TEA) = **sum of the best 4**.
- **ATAR score is out of total of 430**, i.e. Subject 1 + 2 + 3 + 4 plus 10% potential bonus for LOTE and Maths Specialist and Maths Methods.

Carey
Baptist
College
Harrisdale

ATAR Score

- The minimum ATAR for University entrance is **70***.
ATAR 70: In 2022, this was a TEA of 218 – 55% average – Minimum: Curtin / ECU / Murdoch (and about 80% of courses).
- **ATAR 75:** In 2022, this was a TEA 228 – 57% average – Minimum: UWA.
- **ATAR 80:** In 2022, this was a TEA 240 – 60% average.
- Aim for a minimum of 61% (TEA of 244) due to moderation* and scaling*.

Carey
Baptist
College
Harrisdale

Predicted ATAR Scores

- These are calculated for Year 11 students following the Semester 1 and Semester 2 Reports.
- They derived from the exam and Semester marks.
- They can be used as a guide to review student's course selection, eligibility for potential University courses, and for early offer applications.
- **Scaling and moderation** is used to calculate the subject predicted score by using the scaling and moderation from the previous year's Year 12 data.
