Application Form

Parents/Guardians may register their child/ren by completing the Application Form and paying the non-refundable family administration charge of \$55. This is a one-off fee per student. After receipt of the application form your child/ren will be placed on a waitlist, however, this does not guarantee a place at the College.

For more information on enrolling at Carey, visit our website.

Confirmation Fee

Following the offer of a place at the College, placement is confirmed by payment of a Confirmation Fee. The Confirmation Fee is a non-refundable payment to the Building Fund of the College and must be paid prior to commencement at the College to confirm acceptance of the offer of a place.

The amount of the Confirmation Fee is \$500 for the first child and \$250 for the second child attending. There is no Confirmation Fee payable for third and subsequent children attending the College. The Confirmation Fee is not offset against your tuition account.

Family Concessions and Generous Discount Structures

The eldest child by age/year group will attract the full annual fee.

Families who joined Carey before 2016 will continue to receive a 20% family discount on the annual tuition fee for the second member of a family concurrently enrolled. Similarly a 40% concession is offered for the third and subsequent members of the family.

For new families commencing in 2016 onwards, a 10% family concession is offered against the annual tuition for the second member of a family concurrently enrolled. Similarly a 20% concession is offered for the third and 35% for the fourth child and subsequent members of the family.

For the College policy regarding the definition of a family, contact the College.

Tuition Payment Options for 2026

All payments are to be made by Direct Debit (VCPay), which can be setup on the Parent Portal and is managed by the College.

A statement will be available in late-January on the Parent Portal, which will provide the amounts payable based on your payment plan selection. Tuition fees will be processed as follows:

1. Annual is one payment processed on 11 February 2026. If payment is processed successfully, a 3.0% discount on Tuition Fees will apply (as indicated on your statement). For secondary students with Elective Subject Charges, a second payment will be processed for these charges on 22 April 2026 (no discount applies to these charges).

2. Bi-Annual is two (2) payments. First payment is processed on 10 February 2026 and the second is processed on 10 August 2026. If payment is processed successfully by these due dates, a 1.5% discount on Tuition Fees will apply (as indicated on your statement).

3. Quarterly is four (4) payments. Payments will be processed:

First direct debit	6 February 2026
Second direct debit	6 May 2026
Third direct debit	6 August 2026
Fourth direct debit	22 October 2026

4. Monthly is nine (9) monthly payments. These will be processed on the 19th or the 28th (as selected by you) of each month payable from February to October (or the next business day).

5. Fortnightly is nineteen (19) fortnightly payments. These will be processed every 14 days from 12 February 2026 to 22 October 2026.

Terms and Conditions of Enrolment

This document contains only specific terms and conditions of enrolment and is not intended to be a comprehensive guide. It should be read in conjunction with the Enrolment Form and the General Conditions and Privacy Policy Form.

Absence from the College

No reduction of fees will be made on account of an absence from the College, as the cost incurred in operating the College are not lessened by the absence of individual students.

Insurance

Some personal accident insurance is provided for students of Carey Baptist College. However, it is strongly recommended that parents check their health and general insurance policies as the College cannot accept responsibility for:

1. Medical expenses arising from accident or illness;
2. Damage to personal effects; or
3. Property damage incurred by students.

Notice of Withdrawal

The respective Principal must be given a full school term's notice in writing prior to the withdrawal of a student from the College. In default of such notice, up to a full term's fee will be charged. The goods and services tax (GST) is also payable on this charge. Verbal notice is not considered to be due notice of withdrawal.

Year 12 Fees

While students typically complete their Year 12 schooling at Carey early in Term 4, due to the resource intensive nature of this final year the full annual fee is payable.

Variances to Payment Options

Payment Options must be approved by the Carey Executive Manager of Business Services. Please contact the Accounts Department for further information. All tuition accounts must be finalised by 31 October 2026.

Payment for ad hoc incidentals applied during the year (e.g. Library Book Replacements etc), must be paid direct to the College within 7 days on the Parent Portal. Alternatively, you can elect to have any ad hoc incidentals processed automatically on the 5th of the following month.

Discount Explanation

Early payment discounts are only applicable to the Tuition Fee invoiced in January. If you are invoiced for camps or other expenses throughout the year, you are not entitled to a discount on these charges. Annual and Bi-Annual discount dates cannot be altered.

Late Payment of Fees

Parents/Guardians who are unable to pay fees by the due date must apply to the Carey Executive Manager of Business Services for an extension of payment. In the event that fees are four (4) weeks overdue, the College will:

1. Charge an account administration fee of \$50; and
2. Commence charging penalty interest at the overdraft rate charged by the College's Bank unless satisfactory alternative arrangements have been made via an Extended Payment Plan.

The Principals also reserve the right to cancel a student's enrolment where fees are overdue.

Any expenses, costs or disbursements incurred by Carey Baptist College in recovering any outstanding monies will also be charged to the account.

Financial Hardship

Many families experience a period of financial hardship sometime during the schooling of their child/ren. Although our ability to offer assistance is limited, we would value the opportunity to work with you through such a situation. Please contact the Carey Executive Manager of Business Services.

Fee Increases

As with other private schools, there are unavoidable annual increases to tuition fees as each organisation works within the economic climate at the time. At Carey, we are very mindful of fee increases and do our best to consider families without sacrificing quality education.

Dishonour Fees

The College will charge a dishonour fee for returned direct debits (VCPay payments) of \$10 per dishonour and pass on any fees charged by the College's Bank. If a cheque is dishonoured you will be charged the amount specified by the Bank.
